
A
mutation
N
T1
T2
λ
Feedforward Motif
B
T1 concentration
before mutation
after mutation
Number of cells (N)
T2 concentration
before mutation
after mutation
Number of cells (N)
Cell replication rate (λ)
before mutation
after mutation
other mutants
Number of cells (N)
C
Simulations of Parsimonious Creatures:
feedforward motif, no mutation
Total cells
Time
Reproductive rate
Time
D
Simulations of Parsimonious Creatures:
feedforward motif, yes mutation
Total cells
Time
Reproductive rate
Time
